Hanging weight cost	\$5.25/lb	Downpayment due with order	\$500
Average hanging weight	300 - 400 pounds	Order deadline	March 9, 2022
Unless instructed otherwise, steaks will be cut 1" thick, but can be cut ¾" to 1 ½". Meat will be packed to your instructions as closely as possible with your specific animal. Butcher may package in smaller quantity if total amounts do not come out evenly. Any cuts not specified will end up bulk ground beef. There is an additional \$0.50/lb charge to make hamburger patties rather than package hamburger in bulk. Give your instructions for all cuts of meat desired, put a dash through those you are not interested in, and you will get those as ground beef.			
Actual hanging weight varies depending on each individual animal and cannot be determined until the processing has begun. We will notify you of the weight when we find out, along with the remaining cost due.
